

THE 5/20 PROJECT

For God so Loved He Gave...

Kingdom Principles109

A Few Questions to Ask Yourself as a Jesus Follower...

Are you prepared to give compassion to someone in real time?

Are you ready to help other Jesus followers who feel stuck when it comes to giving?

Would you like to learn how to be led by the Holy Spirit — with confidence — to give in real time when prompted?

How important is it to you that someone walks away knowing, without question, that Jesus sees them and loves them?

As you prepare to give to your church and ministries you value, are you also prepared to give to the individual placed directly in your daily path?

Do you believe there are billions of people quietly longing to be seen and loved by Jesus?

We do at **The 5/20 Project**.

And we have witnessed extraordinary, Holy Spirit-led moments of transformation that only happen when compassion moves in real time.

Let us tell you those stories.
