Naturally Supernatural

The 5/20 Project as a Lifestyle of the Kingdom

The Bible reveals that God never intended the supernatural to be rare or distant. From the beginning, human beings were created to live in partnership with God, where His power, love, and wisdom flow naturally through ordinary people.

The 5/20 Project is a simple demonstration of this truth.

It shows how the supernatural life of the Kingdom can flow through everyday moments.

1. Human Beings as Vessels of the Supernatural

Scripture tells us that humanity was created in the image of God.

Genesis 1:27

“So God created mankind in his own image...”

Being made in God’s image means we were designed to carry His presence into the world.

Through Jesus, that design is restored.

The Holy Spirit now lives within believers.

1 Corinthians 6:19

“Your body is a temple of the Holy Spirit who is in you...”

The 5/20 Project simply gives believers an opportunity to **let that indwelling Spirit lead in real time.**

An influencer pauses.

Listens.

Feels the prompting of the Holy Spirit.

Then steps out in faith.

Something supernatural begins to happen.

Not because of the money —
but because **God is present in the moment.**

2. Jesus Modeled a Naturally Supernatural Life

Jesus showed what life looks like when a human being lives fully surrendered to the Father.

He healed the sick.
He spoke with divine wisdom.
He fed the hungry.

Yet most of His miracles happened in **ordinary settings**.

At a wedding.
On a hillside.
Walking along a road.

Jesus then said something remarkable.

John 14:12

“Whoever believes in me will do the works I have been doing, and they will do even greater things than these.”

The 5/20 Project invites believers to step into this same pattern.

When an influencer walks up to someone and says:

“Jesus sees you. Jesus loves you.”

Heaven touches earth in a simple but powerful way.

3. Faith Opens the Door for the Supernatural

The supernatural life of the Kingdom is activated through faith.

Mark 11:22

“Have faith in God.”

Faith often begins with a small step.

In the 5/20 Project, that step may simply be offering someone a \$20 bill and a message of compassion.

But what follows is often extraordinary.

Many recipients begin to cry.
Many say they were just praying.
Some say they were about to give up hope.

Why?

Because the Holy Spirit was already working in that moment.

The influencer simply joined what God was already doing.

4. The Supernatural Often Appears Through Simple Acts of Love

In Scripture, supernatural moments frequently happen through very ordinary acts.

Jesus fed thousands using a boy's lunch.
He turned water into wine at a wedding.

Likewise, the supernatural in the 5/20 Project often begins with a simple act of generosity.

A small gift.
A few words of compassion.

Yet that moment becomes a doorway where someone realizes:

“Jesus sees me.”
“Jesus loves me.”

And in that moment, the Kingdom of God becomes real.

5. The Kingdom of God Breaking Into Everyday Life

Jesus taught His followers to pray:

“Your kingdom come, your will be done, on earth as it is in heaven.”
— Matthew 6:10

The 5/20 Project is a small but powerful way this prayer is lived out.

An influencer walks through a grocery store.
A gas station.
A park.

Suddenly

Holy Spirit highlights someone.

The influencer responds.

And the Kingdom breaks into an ordinary moment.

The supernatural becomes natural.

Summary

The 5/20 Project is not primarily about money.

It is about believers learning to live **naturally supernatural lives**.

Lives where:

- The Holy Spirit leads in real time
- Compassion becomes the language of the Kingdom
- Faith responds to God's promptings
- Heaven touches earth through ordinary people

And often it begins with the simple words:

**“Jesus sees you.
Jesus loves you.”**
