For God so Loved He Gave...

Kingdom Principle 150

“Living From ‘Well Done’”

“Little children, you are from God... and have overcome... because greater is He who is in you than he who is in the world.” — John 4:4

Let's just settle something right at the start...
You're not trying to get God's approval.
You're living **from it**.

Most of us have heard the phrase,
“*Well done, good and faithful servant.*” — Matthew 25:21

And without even realizing it, we turn that into a finish line.
“If I do enough right... maybe I'll hear that someday.”

But what if that's not the invitation at all?
What if...

“Well done” isn't something you earn at the end...
but something you live from right now?

Because Scripture says there is **no condemnation** for those in Christ — Romans 8:1
So, God's not waiting to decide how He feels about you.
That's already settled.

So, here's the shift:

Instead of waking up thinking,
“What do I need to do for God today?”
What if you woke up and said:
“**Holy Spirit... I simply want to receive what You have for me to give away today.**”

No pressure.
No guilt.
No performance.
Just awareness.
Just availability.

And now you move through your day like this:

You notice someone.
You feel that nudge.
You sense that moment.
And instead of overthinking it...
You respond.
Maybe it's a word.
Maybe it's encouragement.
Maybe it's a simple \$20 and a reminder:
"Jesus sees you. Jesus loves you."

That's not you trying to prove anything.
That's love already alive in you... flowing through you.
That's not "works"...
That's compassion.

So instead of waiting until the end of your life to hear "well done"...
What if every moment you respond to Him...
Every time you say yes...
Every time love moves through you in real time...
He's already pleased.

This is the 5/20 life:

Not striving to be used...
But being willing to be available.
Not trying to earn love...
But expressing the love you've already received.

So today, just ask:

"Holy Spirit... who are You highlighting?"
And then...
Trust what you receive.
Step into it.
And watch what happens.
