

THE 5/20 PROJECT

For God so Loved He Gave...

Kingdom Principles 142

GRACE IS NOT MEASURED BY TIME

The 5/20 Project Perspective

In *Matthew 20:1–16*, Jesus tells of workers invited into the vineyard at different hours—some early, some late—yet all receive the same reward.

This is not about wages.
This is about **grace**.

And this is exactly what we step into through the 5/20 Project.

Grace Moves in the Moment

Holy Spirit does not measure your past—
He responds to your **present yes**.

- Whether this is your first day stepping out or your hundredth time giving a \$20 and saying, “*Jesus sees you. Jesus loves you.*”
- Heaven responds the same way: with joy.

In the 5/20 Project, we are not rewarded for longevity—
we are participating in **obedience in real time**.

Equal Value in Every Yes

In the Kingdom, there is no seniority.

- The influencer stepping out for the first time carries the same authority as someone who has done it for years.
- Why? Because the power is not in the person—it is in Holy Spirit moving through them.

Every encounter matters.
Every moment is sacred.
Every yes carries eternal weight.

Holy Spirit Leads—We Respond

No Comparison—Only Compassion

Comparison has no place in the 5/20 Project.

- We are not measuring outcomes
- We are not competing with other influencers
- We are not evaluating worth

We are simply responding.

The moment we compare, we step out of grace.
The moment we love, we step into Kingdom reality.

You Are Not Late—You Are Sent

If you are just beginning this journey, hear this clearly:

You are not behind.
You are being **sent**.

The person Holy Spirit highlights to you today
has not been waiting for someone else.

They have been waiting for **this moment**.
For someone willing to see them.
For someone willing to say:

“Jesus sees you. Jesus loves you.”

NOTHING WASTED

The 5/20 Project Reality

This truth is essential for every 5/20 influencer.

Genesis 50:20

“You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives.”

Your Life Story Is Your Preparation

Every part of your life has positioned you for this:

- The struggles
- The victories
- The regrets
- The lessons

Holy Spirit uses all of it.

When you step toward someone in need,
you are not coming empty-handed—
you are coming with a life that has been shaped for compassion.

Delayed Yes Still Carries Power

Maybe you are stepping into this later than you expected.

That does not reduce your impact—
it often **increases it**.

- There is depth in your voice
- There is authenticity in your presence
- There is weight in your obedience

People don't just hear your words—
they feel your journey.

Nothing Is Wasted in the Exchange

In the 5/20 Project, something supernatural happens:

- You give what seems small
- But Heaven multiplies what cannot be measured

The \$20 matters.
But the moment matters more.

Because when love is released through obedience,
Holy Spirit does what only He can do.

Closing Commission for 5/20 Influencers

As you go:

- Do not hesitate
- Do not overthink
- Do not disqualify yourself

Simply stay aware.

Stay willing.

Stay responsive.

Because at any moment, Holy Spirit may highlight someone...
and invite you into a divine interruption.

And in that moment, everything aligns:

Heaven touches earth

Love meets need

And a person encounters Jesus

All through a simple act:

A \$20 gift

A willing heart

And a bold declaration—

“Jesus sees you. Jesus loves you.”
